What is the Greenheart Chicago Welcome Program (CWP)?

Greenheart Exchange's Chicago Welcome Program is an additional offering to all Greenheart J1 and F1 high school exchange students. This 4 day, 3 night program prepares students to have a successful exchange year. Students will gain in-depth information on what it will be like to live with an American family, attend American high school and how to have a successful year in the U.S. They also will learn about the importance of volunteerism in American culture and participate in a service activity. In addition, we will be exploring the City of Chicago, seeing the sights, shopping, and having a ton of fun! Activities may include a city tour, Millennium Park, the Willis Tower Sky Deck, or Navy Pier. Students will make new friends and leave prepared to have the best year of their life!
